### **From Pastor Dustin**

**August 30, 2009**

Cornerstone Family...

Pastor Dustin & Michelle

American Eagle, Hollister, Abercrombie, Izod, Polo, Tommy Hilfiger, Gap, Old Navy, Target, Wal-Mart.... What brand of clothes do you wear? What brand do you want to wear? The fashion and clothing industry is a multi-billion

dollar a year business. I have a trivia question for you. Who was the very first fashion designer????????????

Did you guess God? The Bible records God took the initiative to clothe Adam and Even with garments He formed. Adam and Eve tried but were unsuccessful in getting "enough" covered. What happened to cause these first two humans to go from walking around naked and innocent to feeling shame and embarrassment? This morning we are going to talk about the importance of modesty. What are the RULES? *To cover or not to cover*, this is the question... We will see today how God's word deals with this subject and how we can walk in Biblical modesty without becoming legalistic.

Sharing HOPE,  
Dustin
